COULDN'T WE BE FRIENDS

AGAIN this year we have an excellent school board which has worked hard to better the school. They are left to right: Mrs. John F. Budke, Albert E. Walz, Clarence E. Allen, Glenn M. Graham, D. Fay Ferringer, Dr. John W. Bailey, and J. Herbert Cramer.

DOCTOR HARRY H. MOORE

ALTHOUGH we are losing Dr. Moore this year, we really couldn't begin to tell you what he has done for our school. The class of '53 wishes him the best of luck in his new position.

Harry F. Newell
PRINCIPAL

THE hard work and faithful service of all these people keeps our school running. On this page we would like to pay tribute to Miss Helen Black, Secretary to the Board, who retired in 1953. Her thoughts were always for the good of the school.

THE Franklinite Staff of the 1953 yearbook has worked very hard to bring you this book. The art work was done by Cathy Pipicella, Chuck Bennett, Jim Vergis and Jon Davies. Jim Runninger was responsible for most of the photographs. The staff members meet in Rooms 200 and 202, under the supervision of Miss Swift and Mrs. Masterson, during Activity Period and after school. Many extra hours were necessary to make all the plans and prepare the pages. After taking pictures, arranging and identifying them, writing the articles, pasting everything on the proper page and raising the money to pay for the book, it is sent to be published. For the first time the Franklinite will contain a history of school events for the whole year. The staff hopes that all the students of Franklin Junior-Senior High School will enjoy this book.

OUR school paper is published once a month during the school year. Our adviser is Miss Graham and the Editor this year was Sandra Richards. The business staff, under Mrs. Kendall sells the advertising that helps to pay for the paper. The staff members meet in Room 207 once a week, where they learn how to write a newspaper column. Sandy gives out the assignments to the members of the staff, and they are given a certain length of time to get the material, write it up and present it. After the selected stories have been typed, the material is sent to the News Herald for printing, after which the circulation staff distributes the copies.

THE Class of 1953 chose as its Junior play a very different drama. "Ghost Wanted" takes place on a lonely island off the coast, in an old mansion just made for haunting. The players assemble as a result of an ad reading "Ghost Wanted" and the fun begins. The play, under the direction of Mrs. Burket, was a great success. Jean Clark was the Student Director. Sonnie Welshans and Dolores Runninger were the prompters and Jim Runninger sound effects man.

GREEN VALLEY

IN Green Valley, strange things happen when people drank Minnie's milk. Things grew out of proportion and spirits were seen by those who drank the milk. To add to these strange happenings the huge boundary rock was removed by Powerful Berry, a spirit. Spells were cast by Pru the witch-girl.

In the end, Everheel, the villian, was foiled and Elden Berry, with the help of his spirit ancestors saved the vallies.

Clinton Perrine directed the play. The prompters were Jean Clark and Delores Runninger. The play was ushered by the Courtesy Club.

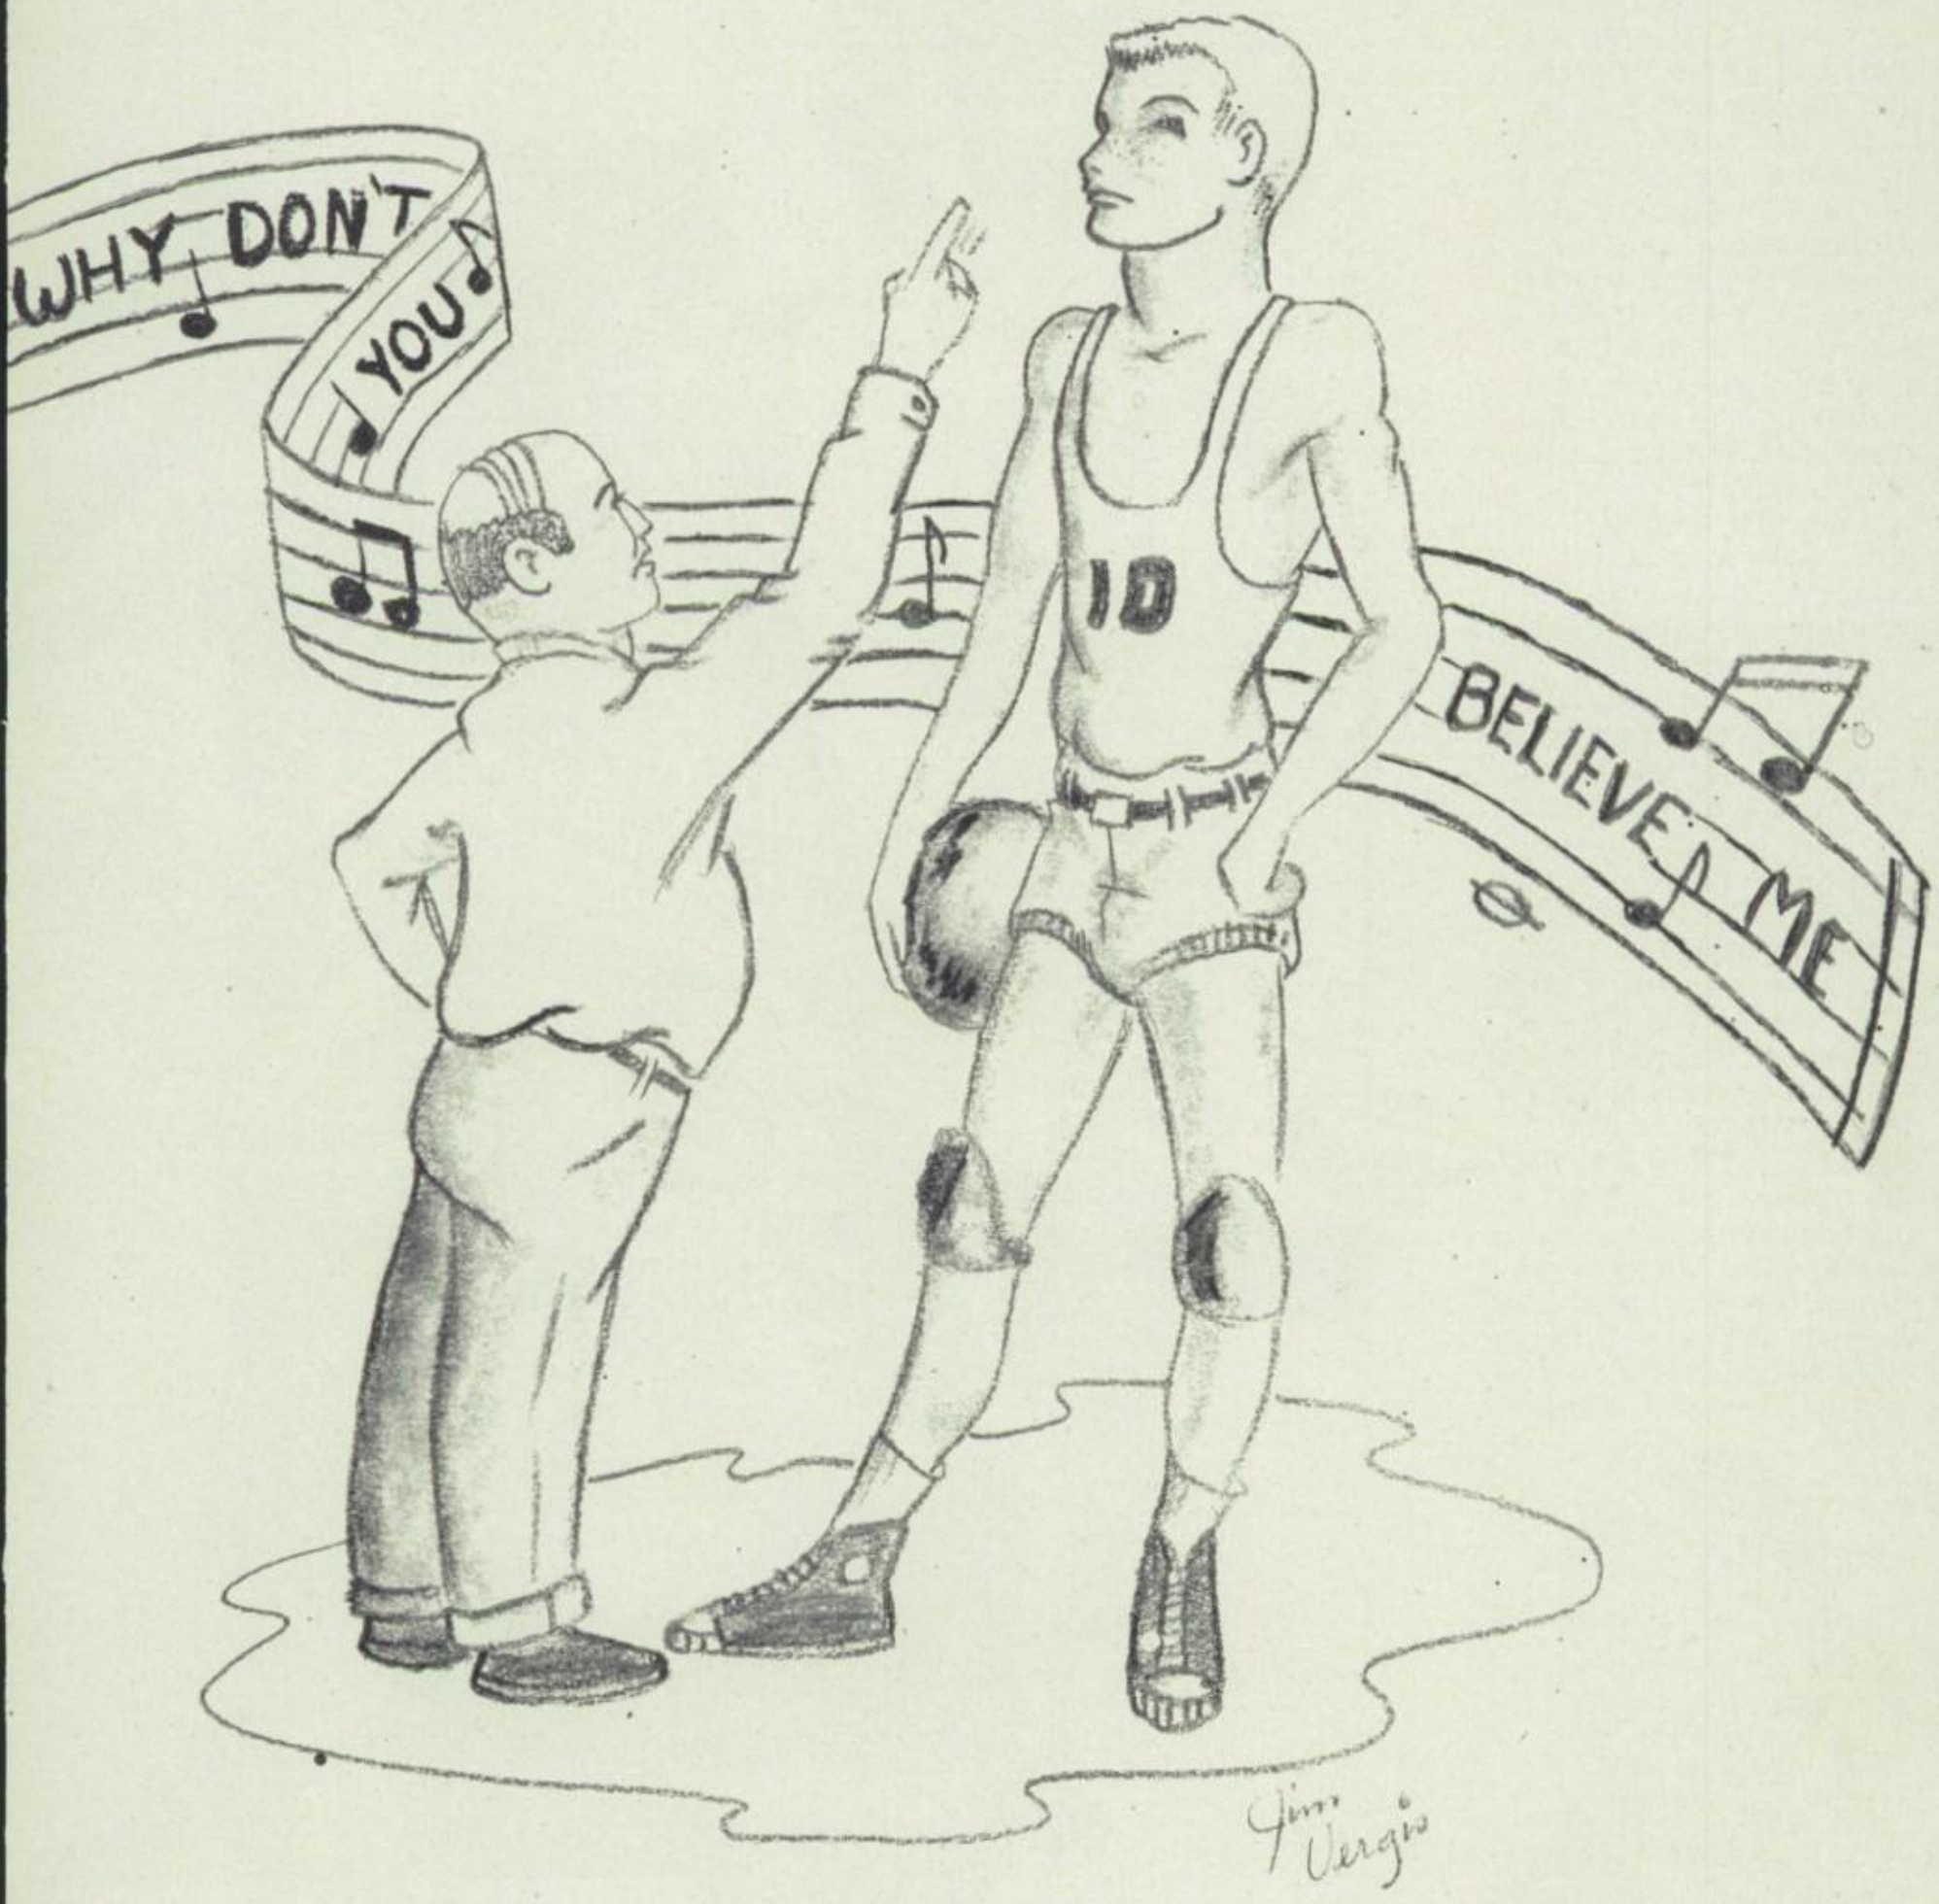
ATHLETICS



THE 1952 football season started out with a crushing defeat by Hickory. Although our players had the will to win, they were just too green for an experienced squad like Hickory.

The season got into full swing with our players working diligently, but we just didn't seem to get the breaks.

Grove City was a thrilling game, where just by one lucky pass in the end zone, let them come out the victors at 14-12. Another thrill packed game was the Titusville game where we tied 13-13. In the game with Meadville, a lucky pass right to a player in the scoring zone, decided the game for them 7-0.

We did wallop Kane with a decisive victory. As far as playing went and ground work, we outplayed Warren and Meadville.

Corry was by far the best ball club and Punxy was just too good for us.

The last game of the season as usual, was with Oil City. The seniors playing their last game were: Jim Vergis, Nile Burchfield, Duane Paterson, Floyd Reynolds, Duane Boughner, Pete Dillman, Jerry Burch, and Ted Brown. We brilliantly led during the first half, but due to lack of reserves we suffered a great loss during the last half. This brought our football season to a close.

ALTHOUGH our boys got off to a weak start, losing 7 out of 9 games, they finished the season in grand style.

They played their best games at Meadville and Cranberry. They were subdued by Meadville due to superior height.

We will always remember the greatest ball handling of Pete Dillman, Ted Fultz's faking, Nile Burchfield's long shots or Ted Brown's aggressiveness and reliability. Ted Gealy and Dick Graham led in the scoring. Nice going fellows, we'll really miss you next year.

The team was composed of willing hard workers. Although none were pointed out as stars for every boy gave all he had.

MARCHING ALONG TOGETHER

MR. JOHN URAM

THIS year's Franklin Junior High basketball team is the only undefeated basketball team in the history of Franklin Junior-Senior High School. In the last game with Cranberry on the Cranberry floor Chuck Snell set an all time record of 57 points. The student body showed a lot of enthusiasm in the game and many are waiting for the time when these boys will be on the senior high team. Coach Uram sees a big future for these fellows as basketball players.

THE girls' basketball team, coached by Miss Riddle, had a fairly successful season this year. They lost two games, both to Oil City, and tied one with Titusville. We will lose nine girls this June. Those who played will never forget the wonderful guarding of Woody Edwards and Sonnie Welshans. Also the wonderful way in which Ruth Weiss and Corky Corrin racked up points and Shirley Hovis' beautiful foot work. We could never have done as well as we did without the hard work of Emma Jean Delo, Anita Power, Rita Eckel, and Cathy Pipicella. Here's to a swell bunch of girls!

FACULTY GAME

Ed Treadwell tries a long shot as teammates Alex Dutkin, Bob Flath, and "Lord" Byron Masters look on.

Referee Dick Wood tosses the ball between Alex Dutkin and Ken Henson while John Uram and Wayne Eakin wait for the tip.

AIN'T MISBEHAVIN'

THE WAY YOU LOOK TONIGHT

Bob Flath sets up a long one while the Junior High wait patiently for the rebound.

Here are the Faculty Cheerleaders. What will they think of next? The pajamas are becoming to them! Charlene Riddle and Sue Bacon chose flannels, but Gevienne Smith had to be different and wear black satin.

Referees Dick Wood and Don Moyer watch closely to see that there is no cheating or rough stuff. Watch out when the faculty is turned loose.

AROUND SCHOOL

Class officers: Angie Leta, Gene Kresinski, Don Blanchard, and Margaret Gourley at the dance.

The Refreshment Stand was run by Ruth Borrell, Georgia Morgan, and Lewis Kineer at the Sophomore Dance.

Juniors supposedly hard at work selling at the football games.

Ah! this is more like it, they really are selling.

HAPPY GO LUCKY

STUDENT COUNCIL

EACH year the Student Council holds an election to choose the officers for the next term. This election follows as closely as possible the election procedure of a regular election. Candidates must present duly signed petitions and conduct an election campaign. Following the voting, the winning candidates are installed in an impressive ceremony before the whole school. It is then the duty of these officers to provide leadership for the student body, so that the students may have a voice and a part in improving the present school and have practice in becoming better citizens.

During the installation of the officers the representatives of the Home Rooms remain on the stage, and are installed in their turn.

Mr. Newell conducts the ceremony to install Ruth Weiss and Rusty Reitz.

IN APPRECIATION

The members of the FRANKLINITE staff wish to express their gratitude to the civic-minded patrons and advertisers who generously helped in promoting our school annual.

CLASS POEM

TRIBUTE TO THE CLASS OF "53"

I. With earthy clay our bodies did they knead,
And in our brain God tried to sow a seed;
Our cultivated knowledge we've derived,
Let us embellish so that all might read
How much the learned ones may be repaid.

II. The thrill that wraps them in a silken robe,
And gives them all the luxuries they can hold.
Secure are they, who well confer their reign,
'Tis yours to judge, how you will count your gains.

III. Our class of "53" with unaffected grace,
Shouldered its burden with a smiling face.
With sorrow, guilt, and pain, by twins dismayed,
We've reached the goal at last we set ourselves;
To find a seat in this our festive place.

IV. Adieu to all the crowd that we have known,
To all the teachers and their counsel clear,
We must go out to find that which we seek,
To pioneer the wilderness of Truth,
And prove how "53" has been renowned.

Rae Jeannine Ruffing
Class of '53

Here we have Chuck talking to Wayne Chrisman and his "HORSE".

Emma Jean Harris, Joe Mott, Kenny Henson, Margaret Harris in "Hey Bop A Re Bop".

Sonnie Welshans, Ken Jaillet, and Carroll Smith were a huge success as Sonnie tapped, Kenny rattled his bones and Cal sang "Ain't She Sweet".

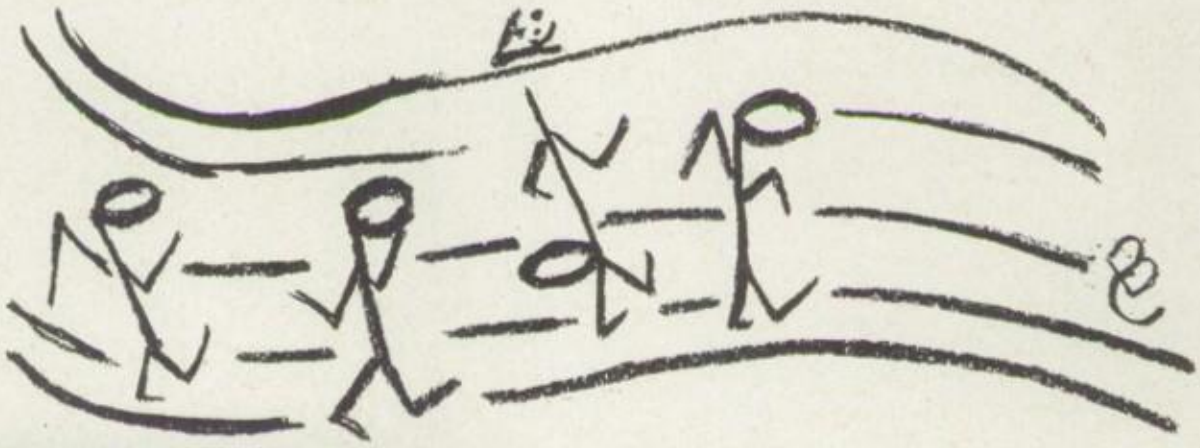
GYM EXHIBITION

SQUARE DANCE--Sally Hughes, Margie Jones, Dave DeWoody, Bob DeWoody, Carroll Smith, Bill Snyder, Lenore Eshelman, Rita Eckel.

THIS is the third year that the physical education departments put on an exhibition for the students and the second year for the public. The exhibition consisted of wand drills, marching, and tumbling for both Junior and Senior girls. The boys performed difficult feats of the trapeze and rings; they also marched, tumbled and performed on the parallel bars and spring board.



ONE of the highlights of the public gym exhibition was the Bronze Men. Some of the poses were, "The Spirit of 76", a tug of war, "The Discus Thrower "; swimming, track, football, basketball, archery, wrestling, bowling, javelin throwing, and "Iwo Jima". The most striking pose was "The Statue of Liberty" in which Sonnie Welshans was held on a platform on the shoulders of the boys.

CLASS HISTORY

7 6

TWELVE years ago our song was begun. It started as we started into the first grade. Our Song had little progress as we went through our first six years, but then the big day arrived -- we began our first measure, as seventh graders. The tune was a little difficult to master for we were still young and a little confused. But with the help of the upperclassmen and the teachers we finished our first measure. Eighth grade was next -- but it went smoothly for us and soon a second measure was completed. When we started our next measure, the notes came more clearly for now we were Freshmen! Six of our girls were chosen Jr. High cheerleaders and a lot of our boys went out for Junior High basketball and football. Yes, we completed several measures that year, for we felt we really belonged.

As we floated into our Sophomore year, it was indeed on the wings of our song. We had written our prelude and now we were beginning the verse. The way ahead was going to be difficult so we chose able leaders. First we were lucky enough to have Miss Smith as our class advisor; then we chose Jim Vergis for president, Jean Clark for vice-president, Rita Eckel for secretary, and Anita Power for Treasurer. We sold basketball pencils and candy for all the plays and the Broadcast. Then for our Sophomore Dance we chose the theme of "The Thing"; we had the gym decorated with question marks and murals depicting stories of song. As our year drew to a close we chose our class rings and then our song seemed to be really taking shape.

Our Junior year was our big year and our song needed a lot of work. Again we chose able leaders: Jim Vergis, Bob Dickson, Charlotte Delong, and Anita Power. Our concessions at the football field were a lot of work, but a lot of fun. When football season was over we had the basketball games, where we sold pop and candy. During the year our other money making project was selling stationery. As it neared Christmas, we had our "Snowflake Ball". After Christmas songs were put away for another year, we went to work again on our song. As well as musicians we found we had a few actors. Our Junior play was entitled "Ghost Wanted" and was directed by Miss Runninger. The climax of our big year came when we honored the seniors at the prom called "Evening In Paris". We'll never forget the yards and yards of blue cheesecloth and stars nor our French cafe' and our art gallery. On the walls were pictures of familiar French scenes and of course, the Eiffel Tower at one end of the gym. Our song was nearing completion as our Junior year ended.

After a short summer vacation we all came back for our biggest and best year. Jim Vergis again led our class, this time on to the finale. He had the help of: Bob Cranford, Charlotte Delong, and Rita Eckel. We sold Christmas cards and then put our song away for the traditional Christmas songs. Soon we went to work again on completing our masterpiece. Our senior play, "Green Valley" directed by Mr. Perrine;was well liked by everyone. Something new was done by combining the Football Dance of the Seniors and the Christmas Dance of the Juniors. At this dance, "Frosty Football", Sandra Walshans was crowned football queen, and Rita Eckle her attendant. We also had another football queen during the year to reign at the Public Relations dance at Oil City and Franklin. Evelyn McKinley was this queen and her attendant Shirley Andrews. It was our year to be honored at the prom and to have our banquet, picnic and baccalaureate. And then our finale -- commencement --. Now our song is finished and we shall sing it as we journey through life. For we will never forget OUR SONG, the Spirit of '53!
